

AN INITIATIVE OF:

Oct. 6th
2022

7TH MUNICH LIFE SCIENCE PITCH DAY

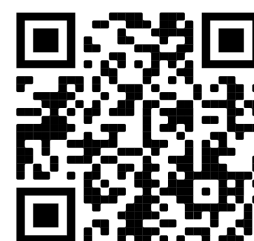

APPLY until September 16th

Apply now and present your technology to leading life science investors and corporate decision makers.

Please apply via [platform](#) until September 16th, 22 and kindly include a non-confidential executive summary or presentation of your start-up or project that you are looking to spin-out of your research organisation. Be one of 10 startups to get the opportunity to pitch!

The event is free of charge, however, registration is mandatory as space is limited. The Munich Life Science Pitch Day will be held as a face2face event.

APPLY HERE
