

# IZBrunch

Science meets Science

NETWORK-  
EVENT IM IZB

Thursday, February 16, 2023 | 10.45 to 13.00 Uhr

Welcome / Moderation

**Dr. Peter Hanns Zobel**, *Managing Director of the IZB*

**Topic:** News from the IZB

Speaker

**Univ.-Prof. Dr. med. M. Subklewe**  
*Senior physician, Head of Immunotherapy in Hematology,  
LMU - University Hospital Munich*

**Topic:** Evolution in Cancer Therapy: BiTE, CART and Beyond

Bispecific antibodies and CART cells have revolutionized the therapy of various cancers. Numerous T cell recruiting antibodies (n=4) and CART cell products (n=6) are now approved for various lymphoid neoplasms. Current research activities are aimed at improving therapeutic outcomes with a better side effect profile. A review of the last 3 years.

Speaker

**Dr. Garwin Pichler**  
*CEO Preomics GmbH*

**Topic:** PreOmics - Setting the Standard for Protein Analysis

PreOmics was founded in 2016 by Dr. Garwin Pichler and Dr. Nils A. Kulak as a spin-out company from the laboratory of leading proteomics researcher Prof. Matthias Mann at the MPI of Biochemistry. PreOmics develops and commercializes innovative automation and sample preparation tools and consumables for unbiased, deep proteomics analysis by mass spectrometry globally to leading pharmaceutical companies and academic institutions.

**Location:**

Faculty Club G2B  
At the Klopferspitz 21  
82152 Planegg/Martinsried

**Registration:**

10.30 a.m. at the reception
